

# JINDAL STEEL AND POWER

## Career Opportunity - JSP Angul, Odisha

JSP is an industrial powerhouse with a dominant presence in steel, power, mining and infrastructure sectors. With a turnover of approximately 7.6 Billion USD in India has revolutionized the process of steel making in India.

JSP has successfully built and is operating India's Most Modern 6 MTPA Integrated Steel Plant at Angul - Odisha, comprising of India's largest 4.25 MTPA Blast Furnace. The Blast Furnace came up in a record time of 27 months, establishing new benchmarks in global steelmaking. With a 1.2 MTPA plate mill, 1.5 MTPA Bar Mill and 810 MW captive power plant at Angul. Its plate mill is capable of producing 5-meter-wide plates, which is the widest plate ever built in India.

The Integrated Steel Plant, initially envisaged as the country's first steel plant to be based on purely swadeshi raw material, involved setting up world's largest Coal Gasification Plant (CGP) for Steelmaking through the DRi route.

The major facilities at the plant includes Blast furnace, Coal washery, Sinter plant, Pellet plant, Coke-oven and by-product plant, Coal gasification plant, DRI plant, Steel Melting Shop, Slab caster, Plate mill and Hot strip mill, Oxygen plant, Lime and Dolomite plant, Power plant.
